Age of athlete is determined by age on Aug. 31, 2019

Tumbling classes are in addition to recreational, prep and competitive programs. Progressions for required skills will be taught and athletes are not restricted to the skills in their cheer program. Coaches will make class recommendations based on current skill level. It is strongly recommended that all competitive cheerleading athletes participate in at least one tumbling class per week. Conditioning classes are included in your monthly fee and are encouraged for all athletes – no pre-registration required.

****Athletes on Blizzard, Shiver and Arctic Chill must attend at least one conditioning class per week****

The descriptions for each level of tumbling can be found at www.freezeathletics.com/tumbling.
