# WELCOME

Thank you for choosing Freeze Athletics as your sport program. We are embarking on our 7th competitive season, and we are very excited. Freeze Athletics has become a well-recognized name in the all-star cheerleading industry due to our strong skills, creative choreography and consistent program direction. Hard work, perseverance, positive reinforcement and the dedication of our cheerleading families is what makes Freeze Athletics truly a unique place to learn and enjoy the sport of all-star cheerleading.

More importantly than any title or award, our athletes learn skills that benefit them throughout every area of their lives.

Our coaching staff is committed to developing competitive athletes who are not only superb on the competition floor, but also upstanding individuals in everyday life. We create leaders and build confident athletes who have self-discipline and excellent work ethic. We hope that when it comes time for our athletes to graduate and move on to a new phase in life, they take with them the integrity, character, work ethic and self-confidence they have gained by being a part of the Freeze Athletics family.

In this packet, you will find all the information needed to become a competitive all-star cheerleader for Freeze Athletics. We have a variety of commitment levels so you can make the best decision for your family. You will see a section on placement information, parent and athlete policies, financial obligations and other important information. Please read through this packet in its entirety as some of our policies have changed from previous seasons. If you have questions over the information in this packet, feel free to contact us.

Sincerely,

Aly Bradford & Keri Lewis  
Freeze Athletics Ltd, Co-Owners

# PROGRAM OPTIONS

## FAMILY-FRIENDLY

There are many types of programs for cheerleading. Over the years we've worked hard to find what best suits our gym and our families. We offer a variety of cheerleading programs ranging from low commitment recreational to high commitment elite level teams. It's important to select a program that best suits what you're looking for when it comes to cheerleading.

## ALL TEAMS RECEIVE

**IN-HOUSE CHOREOGRAPHY:** Our choreography will take place in October (in January for Prep teams). Athletes may be asked to attend 1-2 additional nights to learn choreography.

**TEAM MUSIC:** Access to this music will be provided for at-home practice, but licensing prohibits it from being used for any other purpose.

**TEAM SHOWCASE:** One of our favorite events of the year, our teams will showcase routines for all friends and family. This season we will be hosting 2 showcases - 1 in December and 1 in May.

**CONDITIONING CLASS:** Multiple classes available weekly at no additional charge. Can attend via Zoom.

## COMPETITION HAIR PIECE

**COMMUNITY PERFORMANCES:** While these are optional, it is great to build your child's confidence and entertain our community at events like Ribfest.

## ADDITIONAL EXPENSES

**UNIFORM:** All teams require a uniform. A uniform rental fee is included in the Prep team tuition. All-Star and Elite team members are required to purchase their uniform. This is the last season of the current uniform (\$175 for All star and \$375 for elite teams). *These teams will be required to purchase new uniforms for the 2021-2022 season.*

**CHEER SHOES:** Athletes may select a white cheer shoe of their choice. We are happy to make recommendations!

**SPECTATOR FEES:** Competitions do require spectator fees between \$15-30 per person.

**PRIVATE LESSONS:** If your child misses practices or is getting behind with choreography, jumps, tumbling or stunting, private lessons may be required. These are not included in monthly tuition.

**TRAVEL EXPENSES:** This is an expense for families who are staying overnight in the lower mainland or Kelowna during competitions

**OPTIONAL GEAR:** This optional expense will outfit your family to cheer on your favorite team at competitions!

# TEAM PLACEMENTS

We strive to make our placement atmosphere relaxed and comfortable.

Our placement process for this season will be individual placements. Athletes will attend a placement and demonstrate jump, tumbling, motion and conditioning skills for an instructor. We will use previous knowledge of how athlete's stunt. If an athlete is new to Freeze Athletics, we may ask for a video demonstrating stunt ability.

Placements are only required for athletes who are hoping to be placed on an Elite team. Elite teams include the following: Cold Snap (new Level 1 team), Blizzard (Level 2), Shiver (Level 3), Arctic Chill (Level 4). Athletes wishing to be on any other team do not need to attend placements.

Throughout August, athletes placed on an elite team will participate in practices where they will focus on tumbling, flexibility and conditioning. Our athletes will be pushed within their personal comfort zones while being challenged to achieve the goals set out for themselves.

## FACTORS WE USE TO DETERMINE TEAM PLACEMENTS

**Throughout the team placement process, we will use the following factors (not limited to but including) to determine the best placement for your athlete and each team:**

- BIRTH YEAR
- PREVIOUS STUNTING EXPERIENCE
- TEAM NEEDS
- TUMBLING SKILLS
- MATURITY
- MEMORIZATION OF CHOREOGRAPHY
- PERFORMANCE SKILLS
- ATHLETICISM
- ATTITUDE
- VERSATILITY & COACHABILITY
- PERSONAL DRIVE & GOALS
- OVERALL SKILLS LEVEL

Please note that it is not always possible to offer every level for each age. The coaches at Freeze Athletics will choose the age and division for each team based on the majority of athletes and what will lead the team to be the most successful.

# FINANCIAL COMMITMENT

Tuition payments are automatically charged on the 1st of each month. There is no penalty for early payments. If an account is in arrears past 5 days, one reminder will be sent by email. If payment is not received within 2 days of email being sent, we will phone you to notify you of the overdue amount. If payment is not received within 2 days of phone call (whether you answer the phone or not) the athlete will not be able to participate in any practices (team or tumbling), extra events (demos, sleepovers, summer training etc.) and you may not purchase any extras (clothing, bows, etc.) until payment is made.

One month notice must be given for all withdrawals from competitive cheerleading and tumbling programs. Written notice of withdraw must be received – notice can be emailed to [freezeathletics@gmail.com](mailto:freezeathletics@gmail.com) or handed in to front desk. However there are no refunds for competitive cheerleading programs after November 15, 2020 due to the commitment required in these programs – those on monthly payment plans will continue to make their monthly payments

When withdrawing, session fee will be pro-rated and the balance will be refunded the following way: 100% if refunding to account, 90% if refunding to cheque.

Refund due to medical reason must be accompanied by a doctor's note.

## DISCOUNTS AVAILABLE FOR THE 2020-2021 SEASON

**EARLY BIRD DISCOUNT:** A 10% discount on cheerleading tuition is given to any athlete who purchases their "2020-2021 Registration Fee" by to July 31.

**CHEER CROSS-OVER DISCOUNT:** Athletes wanting to cross over to another team (if ages and skill levels permit), may do so for an additional reduced fee.

**ALTERNATE DISCOUNT:** Athletes wanting to be considered as an alternate to another team (if ages and skill levels permit), may do so for an additional reduced fee.

**SIBLING DISCOUNT:** A sibling discount is offered for the second or third sibling participating in any program.

# TIME COMMITMENT

All star cheerleading truly is like no other sport. Every teammate has an integral role in the routine, and there are no benchwarmers. As a result, it's important that athletes take practice times seriously so as to not delay the progress of the team as a whole.

When we have adequate notice, coaches can adjust lesson plans to meet the needs of both the individual and the team. For that reason, we ask that absences are kept to

a minimum (no unnecessary absences) Sept. 8, 2020 through May 21, 2021. Absences should be submitted to the coach a minimum of two weeks in advance, and we ask that parents take into consideration the team's ability to practice without every athlete. We've taken vacation times into account as you'll see in the Important Dates section on the next page. Please schedule all vacations and conflicts within closure dates as much as possible. Competition schedules can be found on the next page, and all competitions require 100% attendance. Please submit any commitments you've already made in writing when you turn in your contract so we can deconflict those areas prior to the start of the season (ie: Vacations outside of the schedule below.) Black Out will still be in effect this season. More details on this will be available in team contracts.

**New Requirements this season regarding sickness: Any athlete experiencing a fever, vomiting, multiple symptoms related to Covid-19 or deemed contagious by a doctor must stay home from practices. Athletes missing practice due to sickness are required to attend the full practice via Zoom from their home and must visible on the camera for the whole practice.**

## Early Termination

The Freeze Athletics program is a 9-month commitment. Athletes quitting mid-season causes multiple problems for their team and the program in general. When someone quits, instead of their team spending their limited practice time on improving, that time is spent re-choreographing and re-learning the routines to fill in the missing spots. It is a severe setback on the entire team that has worked so hard. It is unfair that the whole team must suffer because someone cannot fulfill their commitment. Please ensure that cheerleading is something you will be able to do until the end of competition season before committing to the program.

## Tumbling Classes

These practices will focus solely on the tumbling skills required for cheerleading routines and the progression for these skills. Although we will work on some tumbling during regular practice time, we do not work on progressing tumbling skills during team practices, we work on timing and synchronicity of current tumbling skills. **We strongly encourage everyone to register for a tumbling class** so they can see their tumbling skills progress over the season – athletes must go through a repetition of tumbling skills and drills to progress and this cannot be done during regular cheer team practice times. Athletes registered in tumbling classes will be permitted to make up 3 regularly scheduled missed classes per year – contact [tumble.freeze@gmail.com](mailto:tumble.freeze@gmail.com) to set up make-up classes. We hope this encourages more time in the gym and more flexibility with your schedule.

# COMMUNICATION

## EMAIL

Our primary means of communication with our parents is email. We will send billing notifications, competition schedules and general announcements this way. We typically get a general time frame for competition schedules a few weeks out, but the final schedule of arrival times and performance times can release as late as the day prior to competition.

## TEAM FACEBOOK PAGES

Please check your Facebook on a regular basis for general gym announcements. This allows us to reach the entire team at the same time as well as the ability to "search" for a particular topic or post. All parents are strongly encouraged to have a valid Facebook account (even if it is only for this purpose) to obtain the information for your child's team. We will also post videos/pictures here.

## PARENT EXPECTATIONS

We know there's nothing more important to you than the physical and emotional safety of your child. From time to time, your child may have a challenging practice. This is common in all sports, but can be extra challenging when they're working to achieve a particular stunt or tumbling skill. Our coaches are here to challenge your children and build their confidence through goals. If you're your child's biggest cheerleader, then we have the perfect recipe for success.

Please keep all communication with your children, other parents and the staff positive and solution-oriented for the success of the child, team and gym. Please refrain from negative language at all times at the gym and during gym functions.

## ATHLETES

Athletes will be expected to treat teammates, parents and coaches with respect and courtesy at all times.

## COACHES & PARENTS

We know sometimes you'll have questions for your child's specific coach or the owners. When we're talking about progress, practice feedback or individualized progression plans - communication is key! Unfortunately, it can be very difficult for our coaches to have those conversations prior to practice. Many times, they're reviewing their lesson plans, preparing equipment and greeting athletes. After practice, our coaches are required to complete practice reviews and sanitize equipment. For this reason, we are happy to set up meetings with our owner or your child's coach - but these do need to be planned in advance so we can devote our full attention to parents and athletes. You may request a meeting through the front desk who will coordinate times.

Because it's important that we respect our staff's personal time, we ask that any questions are emailed directly to [freezeathletics@gmail.com](mailto:freezeathletics@gmail.com) or sent to the gym's Facebook page. Our staff is asked to not respond to work inquiries on personal time so we - as an employer can maintain work/life balance and boundaries for our staff. We truly appreciate your understanding in this matter.

# PRACTICE EXPECTATIONS

## TEAM ACTIVITIES

### BONDING EVENTS

Team bonding is about more than just making friends. When athletes stunt and do partner tumbling, they need to have a level of trust in one another. Throughout the season, we will offer a couple team bonding events. While these are not mandatory, they are strongly encouraged. When children get to know their teammates and coaches, they can develop a level of trust that is necessary to do their skills with confidence. These events are not included in your tuition and fees, but cost is always taken into account when choosing events.

## PRACTICES

### FLOW OF PRACTICE

We plan our lessons carefully to ensure athletes are challenged physically and mentally throughout practice without overexertion. Athletes will be given a few short water breaks throughout the evening. We recommend a healthy snack or meal prior to practice and eating snack or dinner afterwards depending on the time of practice. Heavy meals often make athletes feel sick before an extended workout. Don't ever worry that your child might not be able to keep up for 1.5+ hours. Over the years we've trained hundreds of athletes who quickly adapted and excelled.

## ATTIRE

### CLOTHING

Each athlete will be provided with a t-shirt this season - this is their practice gear along with any black shorts. Athletes are required to wear their practice gear at their first practice each week (Sunday or Monday if they are twice a week) or to their only practice if they practice once a week.

This helps our coaches see the details in choreography. Our Overall Impression and Routine Composition scores are heavily weighted on small details we can catch at practice when our team has uniformity. On other practice days, please avoid wearing baggy clothing as it can be hard to see things like straight knees, straight arms, etc.

Athletes should choose something they can be active in and feel comfortable tumbling and stunting in.

### HAIR, NAILS & JEWELRY

For practices, hair should be firmly secured out of the face. We recommend keeping a few extra hair ties in your child's bag.

Nails should be kept short and rounded. If your child has fake nails, they must be sport length.

Please refrain from wearing jewelry to practice as it compromises athletes' safety during stunting and tumbling. Jewellery is not permitted to be worn at competition - this includes nose and bellybutton piercings. **Athletes should not get any new piercings between December to May** as they likely will be advised not to remove it for 8-12 weeks and this may mean they cannot remove it at competition. Jewellery is a safety hazard and may result in a safety deduction of 1.0-4.0 points at competition.

## CONDITIONING

Conditioning is an integral part of our training process. Proper conditioning will build strength and flexibility, prevent injury and propel athletes toward achieving their goals. Our conditioning classes are separate from team practices. There are multiple times available each week. **Athletes on Elite teams are required to attend at least one conditioning class per week.** Conditioning classes can be attended in person or via Zoom (a link will be sent in September). Athletes attending via Zoom must have 5-8 lbs weights and must be visible to the camera at all times.

# COPYRIGHT

## LOGO

Freeze Athletics logo is an owned product and may not be replicated or duplicated for the purposes of apparel, fundraising materials or sponsorship materials unless explicitly authorized by Freeze Athletics Ltd.

## APPAREL

Apparel is available for purchase through our front desk and gear orders. Parents wanting spiritwear in different styles or sizes may request it through the front desk. This is a great way to cheer on your child throughout the season.

# CONTRACTS

## WE'RE GOING DIGITAL!

All competitive contracts and waivers for the 2020-2021 season will be sent to all families registered in competitive programs at the start of September. Questions regarding the contract while you're reviewing it? There will be a link on each contract to fill out a form with questions.

**[CLICK HERE TO SIGN THE WAIVER.](#)**

**Contracts will be added to this page as they are finalized.**
